Open Atlas Fellowship 2027

Call for proposals issued by the Lindqvist Foundation for Open Science.

The fellowship funds early-career researchers who build open reference atlases of human tissues. Applicants must hold a doctorate awarded no more than seven years before the first deadline. Projects run for up to 36 months.

Proposals are submitted in two stages. The funding rounds, their deadlines and their budgets are listed in the table on page 2.

Funding rounds

Round	Deadline	Budget
Pre-proposal	15 January 2027	no funding
Full proposal	30 April 2027	1 500 000 EUR
Renewal	1 March 2029	750 000 EUR

All amounts are maximum budgets per project.
